

Who needs to complete this registration form?

This agreement must be completed by anyone developing substitute copies of official Iowa tax forms as stated in the Iowa Administrative Code 701-8.3, "Substitute forms." If more than one person is responsible for tax forms, each person must complete a registration form annually.

Complete this registration form for tax year 2026. To develop substitute forms and barcodes for prior years, send a request to IDRSubForms@iowa.gov. We will provide you with similar registration materials for prior years' forms.

Your company agrees to:

1. Register with the Department. Email your registration form to IDRSubForms@iowa.gov.
2. Request approval of substitute forms based on final published versions. Email forms to: IDRSubForms@iowa.gov. If sending zip files by e-mail, include a list of the forms in the email message.
3. Use as master copies only those official Iowa tax forms found on the Department's website. Update your forms if an IDR form is updated and reposted.
4. Support 1D barcode technology for all forms as identified by the Department. Barcodes require the 4-digit NACTP vendor code.
5. Include a 3-digit alpha code that signifies your company on all Iowa forms.
6. Distribute only Department approved versions of official Iowa forms.
7. If the form contains a 1D barcode but is not listed on this registration, the Department must approve before use. Email form to IDRSubForms@iowa.gov.
8. Forms submitted for approval should be in PDF format.
9. Correct any errors when notified by the Department. Notify customers of corrections.
10. Allow the Department to include the name of your company in various public information materials designed to inform tax practitioners and the public about vendors who have agreed, complied, or failed to comply with the Department's policies, procedures, guidelines and specifications regarding substitute Iowa tax forms.

Where can I find information on final versions of forms?

Thank you for your support and cooperation as we adapt legislative changes and update our forms. We value our partnership with you, and are committed to keeping you informed throughout this process. Please subscribe to our Department updates.

It is your responsibility to recognize forms may change. Forms can be found on the public site or on the secure site. Only forms containing a barcode or forms listed on this registration require approval by the Department. **The recreated forms must match the Department's forms as closely as possible. See iowaforms.gov for more information.**
